1. In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.
2. Students need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation.
3. The elective courses in this 2022-23 AY course framework can be applied retroactively to students who entered prior to 2021-22 academic year.
4. Courses of General Education courses and Teacher Education Program cannot be used to waive professional elective course credits.
5. Extra General Education credits earned cannot be counted toward graduation, but can be recorded as accumulated credits.
6. Credits that are related to the Communication field taken from among the General Education electives (eg. Media Literacy) cannot be counted toward graduation.
7. All the courses listed on the course framework of each semester for the School or the department (including those listed prior to the department's name change) are the professional electives for the department and can be counted toward graduation, applied retroactively to students who entered prior to 2021-22 academic year.
8. The credits of interdisciplinary Focused Course Programs not included in course structure diagram can be regarded as credits from other departments.
9. Economics 、 Statistics in Communication Research 、 Visual Communication 、 Computer Graphics 、 News

## **Advertising and Strategic Marketing Department Courses Outline**

### **for All Students Entering in 2022-23 Academic Year**

Reporting and Writing、Content Production System are six elective courses that the Department requires students to take. However, students will not be required to retake the courses if they fail them.

10. Graduating students and students in the extended study period who did not pass required courses of Physical Education can waive a maximum of two (2) required Physical Education courses by passing Comprehensive Physical Education I, Comprehensive Physical Education II. This regulation is applicable for those admitted in and prior to 2020-21 academic year.
11. If International students, overseas students or students from Hong Kong and Macao are not good at Chinese, they can take the courses of Basic Chinese I & II through International College instead of taking Chinese Literature: Appreciation and Creative Writing I & II. This regulation can be applied to students who entered the university prior to the 2021-22 academic year.
